Honorable Edward Whitaker
City Council
Pacific Grove, California 93950

Dear Mr. Whitaker:

The Coast Guard concurs in the actions proposed by your letter of 7 August 1968 concerning Point Pinos Light Station. They should improve control over the area and eliminate ambiguities caused by the present signs. Our regulations already prohibit any acts in violation of city ordinances.

The Commander, Monterey Group, will be responsible for scheduling and conducting periodic joint inspections with a representative of the City Manager.

I hope that these actions will result in satisfactory safety and conservation of resources in the area.

Sincerely yours,

D. W. SINCLAIR
Captain, U. S. Coast Guard
Chief of Staff, Twelfth Coast Guard District
