Mr. George Henderson  
P. O. Box 714  
Morro Bay, California 93442

Dear Mr. Henderson:

I have learned from friends of yours that you have in storage furniture which was once used in the Point Pinos Lighthouse.

We are very interested in acquiring all objects which were originally used in this facility in order to give visitors an opportunity to view the keeper's quarters. We are also very interested in a keeper's uniform or other artifacts dating from before World War II.

The museum would be pleased to learn whether we might acquire by gift or purchase any of the above.

Sincerely yours,

Vernal L. Yadon  
Director
