Dear Mr. Wheeler:

The Pacific Grove Museum Board and City Council have reviewed your request that the City consider relinquishing its license to the Point Pinos Lighthouse building. The decision of the City is that the City wishes to retain the license agreement as we believe it best serves the interest of the City and its visitors.

The Museum Board will be considering your proposal for expanded operating hours and staffing at future meetings as we determine appropriate changes to Museum and Lighthouse activities.

We appreciate your interest and offer of support. This will be considered as the Museum Board conducts its comprehensive review of programs and activities.

Sincerely,

Flo Schaefer, Mayor  
City of Pacific Grove
