Dear Mr. Finnegan:

Two crates and one FedEx carton were shipped to you on 20 September. They contain the Coast Guard artifacts you wish to borrow. Please inspect the contents as soon as possible, and notify me if damage occurred in transit. A blank condition report is enclosed for your convenience.

To complete the loan transaction, please have the enclosed loan agreement signed where indicated, then return one copy in the envelope provided. The duplicate is for your records. If you have a question about the loan agreement, please call me at (301) 763-4008.

Thank you for sending Mr. and Mrs. Llewellyn to pack the artifacts for shipment. They even weathered tropical storm Floyd to be here that Thursday. You are fortunate to have two such devoted volunteers. If I may be of further assistance, please do not hesitate to contact me.

Sincerely,

A handwritten signature in cursive that reads "Gail Fuller".
