Subject: Proposal for Video Tour of Point Pinos Lighthouse

Your proposal for the Video Tour of the Point Pinos Lighthouse was presented to the ADA Compliance Advisory Committee at the regular meeting on January 28, 2004. The proposal recieved very positive reviews from both committee members as well as members of the public present at the meeting. It was felt that this would be an excellent way to provide access to the lighthouse for members of the public with disabilities if the lighthouse becomes the property of the City of Pacific Grove.

One addition to the proposal was brought by a member of the public present. It was felt that the inclusion of a seating area would improve the presentation for all viewers.
